**BRICS Agriculture Cooperation Working Group Meeting**  
**[22 September 2016 : New Delhi]**

The Meeting of BRICS Agriculture Cooperation Working Group was held on 22 September 2016 in New Delhi.

The meeting reviewed the progress made in BRICS Action Plan 2012-16 containing five priority areas for cooperation in the fields of creating basic agricultural information exchange system, strategy for ensuring access to food for the most vulnerable population, reducing negative impact of climate change on food security and adaptation of agriculture to climate changes, enhance agricultural technology cooperation and innovation, trade and investment promotion. It was also agreed to consolidate on the progress made in these priority areas and identify newer areas of cooperation.
