**BRICS Seminar on Challenges in Developing the Bond Markets**  
***[27 September 2016: Mumbai]***

The BRICS Seminar on Challenges in Developing the Bond Markets in BRICS countries was organised on 27 September 2016 in Mumbai by Department of Economic Affairs in partnership with the Confederation of Indian Industries.

The Seminar was organised around three technical sessions: (i) Evolving Dynamics of BRICS Corporate Bond Market- Pathway to Collaboration; (ii) Benchmarking and Adapting Global Best Practices into BRICS Perspective; and (iii) Development of Offshore Local Currency Bond Markets.

The event provided a platform to share the best practices from BRICS countries and also explore the global best practices which may be adopted to develop the bond markets.
