**1<sup>st</sup> BRICS Young Scientist Conclave**  
**[26-30 September 2016: Bengaluru]**

The 1<sup>st</sup> edition of BRICS Young Scientist's Conclave was organised from 26 September to 30 September 2016 in Bengaluru by Department of Science and Technology in collaboration with the National Institute of Advance Studies.

The Conclave brought together young scientists and researchers of the BRICS nations to deliberate on finding solutions to some of the common challenges and problems faced by the BRICS countries. The event was focussed on three themes including Computational Intelligence, Energy Solutions and Affordable Healthcare along with discussions on Interdisciplinary Science for society and humanity.

The Conclave also included a session on "Talent Hunt" which saw presentations of 15 ideas along with the release of two reports: "*BRICS Science and Technology Enterprise Partnership*" and "*Hampi: Splendours of a World Heritage Site*".
