BRICS Anti-Corruption Cooperation Meeting
[8 June 2016 : London]

India hosted a meeting of Senior Officials of BRICS member states on Anti-Corruption Cooperation on 8 June 2016 on the margins of G20 Anti-Corruption Working Group meeting in London.

During the meeting, the parameters of the BRICS Anti-Corruption Working Group were finalized.

In the Ufa declaration endorsed by Leaders at the 7th BRICS Summit in July 2015, Leaders had expressed their conviction that corruption is a global challenge, which undermines the legal systems of states, negatively affects their sustainable development and facilitates other forms of crime. In this context, they decided to create a BRICS Working Group on Anti-Corruption Cooperation
