Meeting of BRICS Senior Officials on Anti-Corruption
[16 March 2016 : Paris]

The meeting of BRICS Senior Officials for Anti-Corruption was organised on 16 March 2016 on the margins of OECD Anti-Bribery Convention in Paris.

During the meeting, the discussions revolved around two key issues: focus on getting back the black money to the country of origin and discussions on the parameters of the Working Group on Anti-Corruption Cooperation.

The meeting culminated with a sanguine note to finalise the parameters for BRICS Working Group on Anti-Corruption Cooperation during the next meeting scheduled on the margins of G20 in June 2016.
