1st BRICS Trade Fair
[12-14 October 2016: New Delhi]

The 1st BRICS Trade Fair was organised by FICCI with the support of Department of Commerce on 12-14 October 2016 at Pragati Maidan in New Delhi. The Fair was inaugurated by the Vice President of India.

The Fair provided a platform for respective BRICS countries to exhibit the state-of-the-art technologies and advances made in industrial development. Besides established companies, start-ups and innovators from BRICS showcased their products.

The BRICS Trade Fair was an interactive business engagement and included investment promotion and knowledge seminars. A special session on investment opportunities across various states of India was also organised at the Fair.

The CEOs and leaders of business associations of the BIMSTESC countries also attended the Fair.
